

<http://www.indiamart.com/divy-technology/>

Hello Respected Person,

I Am Founder of DivyTechnology

Divy Technology . has been creating innovative, high-quality Web Development for over 6+ years. We provide an integrated service offering that includes strategic consulting and customer research, graphic design, as well as the development and implementation of world-class e-business Website & App.

Today Divy Technology employs a full-time staff of 26+ professionals, including project managers, web developers, web designers, and QA specialists. At Divy Technology our development team represents one of the leading resources for innovative and sophisticated web-based solutions.

We have designed numbers of websites and web-based applications for companies of all sizes. Our strategy for project development is anchored in a phased approach. This lets us establish a clear set of goals that ensure the quality of work is maintained throughout the entire development process for 100% client satisfaction.
